

# 2005 1c CDDR-026

## Photo File Card

Overall view of doubled statue knees.

Die crack through upper letter "C" of CENT.

This variety exhibits very nice doubled-statue knees and Memorial column #7 rotated clockwise.

## Description File Card

**Classification:** Class VIII Tilted Hub Doubling

**References:** Wexler WDDR-053

**Doubling:** This variety exhibits prominent extra knees of the statue and Memorial column #7 that are rotated clockwise (CW) from proper alignment.

**Rarity:** URS-3

**Interest Factor:** IF-3

**Value:** MS63 - \$7; MS65 - \$15

**Reported by:** Kenneth Russell

## Diagnostics File Card

**Obverse:** None noted.

**Reverse:** (1) Thin die crack extends through the upper segments of the letter "C" of CENT.

**Comments:** An interesting DDR with significant knee and Memorial column rotation.
